

Neoclassic two storey house in Argalasti

Address: Argalasti

Description: This traditional two storey house is located in Argalasti, South Pelion, only few minutes from the square. This neoclassic stone house measures 100sqm plus an independent annex of 25sqm, surrounded by a small courtyard. The house has five rooms (one of them with fireplace), one kitchen, one bathroom and storage. The neoclassical features are predominant on both balconies, the one on the street front as well as the one of the back side.
